Seemingly ordinary school-age children, Bobby, Lola and Juliette have been selected by the B.I.A. (Bee Intelligence Agency) for those special spy missions in which only child agents can be involved.

Together the girls are known as the Berry Bees. When the world's top-secret villains unleash their mayhem and the Berry Bees are summoned to the rescue when the adult spies are simply not suitable for the case.

Bobby, Lola and Juliette become mistresses of disguise, secret undercover agents, astute mentalists and rad martial arts experts who also use awesome berry-themed gadgets to save the day.

When children in a pie-eating contest start losing their memories, the Berry Bees are sent to investigate. While dealing with a forgetful Lola, they manage to thwart Tara's plan to steal the memory of a young and very successful competitor and all his fans.

Hypnotic Hair, Don't Care

When the Greenthumbs use hypnotic shampoo to turn pop star Jeremy Dreamboat's devoted fans into animals, the Berry Bees are sent in as members of his fan club to investigate. They try to shut down the plan before the Greenthumbs turn the place into a zoo.
